RE: UNITED HOME CARE IN KENT License #751230

Dear Provider:

The Department completed a full inspection of your Adult Family Home on July 24, 2019 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:  
Olga Petrov, Licensor

**Consultation:**

**WAC 388-76-10360 Negotiated care plan Timing of development Required. The adult family home must ensure the negotiated care plan is developed and completed within thirty days of the resident's admission.**

The adult family home (AFH) did not develop a Negotiated Care Plan (NCP) for one of two sampled residents (Residents #4) within thirty days of the resident admission although the AFH had the NCP from the past short stay in [REDACTED] 2018. The resident was re-admitted for a short stay into the home.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for an informal dispute resolution meeting, according to the attached "Informal Dispute Resolution" instructions; and
