

Adult Family Home Disclosure of Services Required by RCW 70.128.280

HOME / PROVIDER Sherwood Adult Family Home/ Laurie Davis R.N.	LICENSE NUMBER 751565
---	---------------------------------

NOTE: The term “the home” refers to the adult family home / provider listed above.

The scope of care, services, and activities listed on this form may not reflect all required care and services the home must provide. The home may not be able to provide services beyond those disclosed on this form, unless the needs can be met through “reasonable accommodations.” The home may also need to reduce the level of care they are able to provide based on the needs of the residents already in the home. For more information on reasonable accommodations and the regulations for adult family homes, see [Chapter 388-76](#) of Washington Administrative Code.

9. ADDITIONAL COMMENTS REGARDING PERSONAL CARE

We have 2 roll in showers with custom heat & bidets. Each resident room has a private bathroom and custom heat.

Medication Services

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

We provide medication assistance and medication administration through nurse delegation. We order, prepare, monitor, document, and store medications in locked cabinet or container.

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

The home has the ability to provide the following skilled nursing services by delegation: medication administration including ear drops, eye drops, nasal drops or sprays, oral inhalation therapy, rectal suppositories, vaginal suppositories, non sterile dressing changes, glucometer testing, gastrostomy feedings, ostomy care, straight clean urinary catheterization, and insulin injections. It's possible for the RN to do short term injections.

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

We provide medication assistance and medication administration through nurse delegation.

The home has the ability to provide the following skilled nursing services by delegation:

Medication administration including ear drops, eye drops, nasal drops or sprays, oral inhalation therapy, rectal suppositories, vaginal suppositories, non sterile dressing changes, glucometer testing, gastrostomy feedings, ostomy care, straight clean urinary catheterization, and insulin injections. It's possible for the RN to do short term injections.

ADDITIONAL COMMENTS REGARDING SKILLED NURSING SERVICE AND NURSING DELEGATION

We provide services to individuals with mild, moderate, and severe dementia. We also provide services for residents requiring hospice and end of life care.

Specialty Care Designations

We have completed DSHS approved training for the following specialty care designations:

- Mental illness
- Dementia

ADDITIONAL COMMENTS REGARDING SPECIALTY CARE DESIGNATIONS

We have training for end of life care.

Staffing

The home's provider or entity representative must live in the home, or employ or have a contract with a resident manager who lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager is exempt from the requirement to live in the home if the home has 24-hour staffing coverage and a staff person who can make needed decisions is always present in the home. (WAC 388-76-10040)

The provider, entity representative, or resident manager does not live in the home but the home has 24-hour staffing coverage, and a staff person who can make needed decisions is always present in the home.

The normal staffing levels for the home are:

Registered nurse, days and times: On call 24/7 and in the home 1-3 times per week depending on need

Licensed practical nurse, days and times: N/A

Certified nursing assistant or long term care workers, days and times: Depending on the level of care we provide a minimum of one caregiver per shift. Often there are two caregivers on duty.

Awake staff at night There is one awake staff caregiver on night shift to provide for the resident's night time needs.

Other: ARNP, who specializes in geriatrics is available upon request

ADDITIONAL COMMENTS REGARDING STAFFING

All caregivers are certified in dementia, mental health, nurse delegation/diabetes, first aide and CPR. All staff go through rigorous training & background checks including finger printing.

Cultural or Language Access

The home must serve meals that accommodate cultural and ethnic backgrounds (388-76-10415) and provide informational materials in a language understood by residents and prospective residents (Chapter 388-76 various sections)

The home is particularly focused on residents with the following background and/or languages:
We respect all cultural, ethnic, and religious backgrounds. This is an English speaking home.

ADDITIONAL COMMENTS REGARDING CULTURAL OR LANGUAGE ACCESS

Medicaid

The home must fully disclose the home's policy on accepting Medicaid payments. The policy must clearly state the circumstances under which the home provides care for Medicaid eligible residents and for residents who become eligible for Medicaid after admission. (WAC 388-76-10522)

The home is a private pay facility and does not accept Medicaid payments.

ADDITIONAL COMMENTS REGARDING MEDICAID

Activities

The home must provide each resident with a list of activities customarily available in the home or arranged for by the home (WAC 388-76-10530).

The home provides the following:

The home provides the following: We offer numerous activities based on our resident's interests. We do music therapy, spa days, arts & crafts, pet therapy, gardening in our wheelchair level beds, daily exercise, reminiscing, reading, and numerous stimulating activities.

ADDITIONAL COMMENTS REGARDING ACTIVITIES

We enjoy making special moments by celebrating life. We recognize birthdays, holidays, and special events and occasions. We enjoy singing along with our piano, table games, cards, puzzles, bingo, and story telling. Our goal is to continually stimulate and discover positive interests that are purposeful to our residents.
