**Medication Services**

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

*Not Flop AFH provides medication assistance from cueing and set up to total assistance. All employees are in good standing. Credentials for nurse delegation. Other assistance are provided. Only prescribed medications if delegated. ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES: All OTC medications are given to residents. All OTC medications need an order from primary care provider before the caregiver/resident manager can administer medications.*

### Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

*A licensed nurse in the State of Washington may be coordinated if needed.*

The home has the ability to provide the following skilled nursing services by delegation: *if nurse delegation is required to allow unlicensed staff to perform tasks, usually performed by a licensed person. Tasks include intrathecal medications (inhalers, eye drops),*

ADDITIONAL COMMENTS REGARDING SKILLED NURSING SERVICE AND NURSING DELEGATION

*Topical medications (cream, patches), blood sugar checks, catheter care, ostomy care, administering psychotropic medication as needed, and administering medications for comfort provided in an emergency but not clients on hospice.*

#### Specialty Care Designations

We have completed DSHS approved training for the following specialty care designations:

- Developmental disabilities
- Mental illness
- Dementia

*Coordination with Home health / Hospice agency as ordered. Provider is a licensed nurse.*
