Medication Services

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

Medication with assistance. Provide set up assistance before resident takes meds by ensuring the resident is aware they are taking meds, steady resident hand for applying ointments, transferring meds from container to another for single dose, using an enabler if needed and reminding the resident of taking

meds.

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

Staff are nurse delegated by licensed nurse for appropriate ointments/medication for specific resident and need

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation.
