The provider failed to ensure one caregiver met qualifications prior to leaving the caregiver unsupervised with five residents.

This is a repeat citation from August 26, 2014.

WAC 388-112-0075(3) – Who is required to complete basic training, and when, unless exempt as described in WAC 388-112-0076?

The provider failed to ensure one caregiver met qualifications prior to leaving the caregiver unsupervised with five residents.

This is a repeat citation from August 26, 2014.

The stop placement order prohibiting admissions imposed on May 28, 2015 in a notice dated May 28, 2015 remains in effect.

The stop placement order prohibiting admissions will not be postponed pending an administrative hearing or informal dispute resolution process, as is required by RCW 70.128.160(5). The stop placement applies to all new admissions, re-admissions, and transfer of residents.

During the stop placement, you may not admit any new resident to your adult family home. In addition, you may not allow any resident who was absent from the home due to a temporary non-out-patient stay (not including out-patient treatment) at a hospital, nursing home or other treatment center to return during the stop placement unless you obtain advance approval from the department. You may request such approval by contacting Karyl Ramsey, Field Manager at (360) 397-9556.

Because it may not be possible to reach the Field Manager on a weekend or holiday, any pre-approval requests should be made as soon as possible during the business week. Such exceptions are made at the sole discretion of the department on a case-by-case basis. The department may impose sanctions or take other legal action if you fail to comply with the stop placement order prohibiting admissions.

The department will terminate the stop placement order prohibiting admissions when the violations necessitating the stop placement have been corrected and you exhibit the capacity to maintain adequate care and service.

NOTE: These are the violations which resulted in the fine, and stop placement order prohibiting admissions; see the attached Statement of Deficiencies for any additional violations.
