RE: Riverview Residential Home and Care LLC # 752612

Dear Provider:

This document references Compliance Determination 28785 (Completion Date 09/11/2023).

The Department completed a full inspection of your Adult Family Home on 09/11/2023 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Scott Sorensen, AFH Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10530 Resident rights Notice of rights and services.

(2) Upon receiving the notice of rights and services at admission and at least every twenty-four months, the home must ensure the resident and a representative of the home sign and date an acknowledgement stating that the resident has received the notice of rights and services as outlined in this section. The home must retain a signed and dated copy of both the notice of rights and services and the acknowledgement in the resident's record.

The home did not review, sign, and date an acknowledgement of the admission information including the home's expectations, services, and charges every 24 months for one resident. There were no residents or representatives that expressed concerns related to the document.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for an informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (509)323-7321.

Sincerely,

Tamara Tredo
