Dear Provider:

The Department completed a full inspection of your Adult Family Home on November 18, 2019 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:  
 Lyra Ouano, AFH Licenser

**Consultation:**

**WAC 388-76-10530 Resident rights Notice of services. The adult family home must provide each resident notice in writing and in a language the resident understands before admission, and at least once every twenty-four months after admission of the:**

- (1) Services, items, and activities customarily available in the home or arranged for by the home as permitted by the license;
- (2) Charges for those services, items, and activities including charges for services, items, and activities not covered by the home's per diem rate or applicable public benefit programs; and
- (3) Rules of the home's operations.

The adult family home (AFH) failed to review/renew admission agreements for one of two residents (R) (R#2) every 24 months. The AFH sent to the department R#2's admission agreements dated 11/14/19 the following business day.

**You Must:**

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

**You Are Not:**

- Required to submit a plan-of-correction for the deficiency or deficiencies found.
