IDR RESULTS

Dear Provider:

Thank you for participating in the Informal Dispute Resolution (IDR) process on July 16, 2020. This letter is a follow-up regarding the result of yesterday's IDR. During the IDR, the panel addressed a citation identified in the Statement of Deficiencies (SOD) report dated March 11, 2020. As discussed during the IDR, the panel considered the following information:

- Written materials presented by the adult family home;
- Oral statements and explanations offered by the adult family home;
- Records gathered by the Residential Care Services (RCS) regional staff; and
- Oral statements and explanations offered by RCS staff.

After careful review and consideration, the panel decided to make the following recommendation to the SOD report dated March 11, 2020. IDR staff concur with this recommendation:

WAC 388-76-10615 - Deleted

Because this was the only citation associated with the SOD dated March 11, 2020, it will be deleted from your record. Your unannounced on-site complaint investigation dated February 25, 2020 will not have a deficiency associated with it.

If you have any questions, please contact me at (360) 725-2383.

Sincerely,

Mike Tornquist
