

Adult Family Home Disclosure of Services Required by RCW 70.128.280

HOME / PROVIDER ABLE HANDS AFH	LICENSE NUMBER 753407
--	---------------------------------

NOTE: The term "the home" refers to the adult family home / provider listed above.

The scope of care, services, and activities listed on this form may not reflect all required care and services the home must provide. The home may not be able to provide services beyond those disclosed on this form, unless the needs can be met through "reasonable accommodations." The home may also need to reduce the level of care they are able to provide based on the needs of the residents already in the home. For more information on reasonable accommodations and the regulations for adult family homes, see Chapter 388-76 of Washington Administrative Code.

Medication Services

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is: handing over to the client in a cup crushed with M.D.'s orders and with delegation. All medication should be kept in a locked cabinet and properly documented daily.

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

Proper Documentation and fire risks followed always.

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:
