RE: Amani Home License #753469

Dear Provider:

The Department completed a full inspection of your Adult Family Home on November 13, 2019 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:
Adelle Walker, Licensor

Consultation:

WAC 388-76-10320 Resident record Content. The adult family home must ensure that each resident record contains, at a minimum, the following information:

- (10) A current inventory of the resident's personal belongings dated and signed by:
- (a) The resident; and
 - (b) The adult family home.

The adult family home failed to show that all of the home's residents had personal inventory list that were signed and dated by the Provider and the Resident.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for an informal dispute resolution meeting, according to the attached "Informal
