ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

**Staff have been trained to be delegated in various tasks**

### Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

**When deemed appropriate by the provider, the adult family home may contract a RN delegator for nurse delegation and resident assessments. The costs associated with nurse delegation and assessments are the responsibility of client. When deemed appropriate by the provider, the adult family home may provide care to a more clinically complex client that might require things like wound care, end of life care or diabetic management.**

The home has the ability to provide the following skilled nursing services by delegation:

**When deemed appropriate by the provider, the adult family home may have delegation put into place to include medication assistance and/or administration of various medications. Hospice care; diabetic care / insulin; catheter care; feeding tube. The cost of these services would be the responsibility of the client.**
