RE: Lifeguard AFH License #754011

Dear Provider:

The Department completed a full inspection of your Adult Family Home on November 8, 2019 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:  
Alixandria Cortez, LTC- MH Community Licensor

**Consultation:**

**WAC 388-76-10191 Liability insurance required. The adult family home must:**

- (1) Obtain liability insurance upon licensure and maintain the insurance as required in WAC 388-76-10192 and 388-76-10193 ; and
- (2) Have evidence of liability insurance coverage available if requested by the department.

The Provider was not aware of the need to have liability insurance due to not having residents in home. The Provider received the finalized certificate of liability after the inspection.

**You Must:**

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

**You Are Not:**

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

**The Department May:**

- Inspect the home to determine if you have corrected all deficiencies.

**You May:**

- Ask for an informal dispute resolution meeting, according to the attached "Informal
