9. ADDITIONAL COMMENTS REGARDING PERSONAL CARE

Staff encourage residents to be as independent as possible.

Medication Services

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

The adult family home provides the following:

- * Reminding clients to take their medications on time**
- * Assist clients with administration of oral, topical and eye drops medications**
- * Total assistance with medication administration**
- * Ordering and refilling resident medications that are covered by their insurance**
- * Insulin injections**
- * Monitoring blood sugar levels**

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

Staff have been trained to be delegated in various tasks

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

Skilled nursing services in the home are provided by home health nurses, hospice agencies and registered nurses through nurse delegation.

The home has the ability to provide the following skilled nursing services by delegation:

Nurse delegation means a registered nurse transfers the performance of selected nursing tasks to competent and qualified nursing assistants. Staff are competent and qualified to perform certain nursing tasks through nurse delegation, and the facility contracts with a RN for nurse delegation. The cost of these services would be the responsibility of the resident.

ADDITIONAL COMMENTS REGARDING SKILLED NURSING SERVICE AND NURSING DELEGATION

The provider will ensure there is appropriate delegated staff in the home.

Specialty Care Designations

We have completed DSHS approved training for the following specialty care designations:

- Developmental disabilities
- Mental illness
- Dementia

ADDITIONAL COMMENTS REGARDING SPECIALTY CARE DESIGNATIONS

Staffing

The home's provider or entity representative must live in the home, or employ or have a contract with a resident manager who lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager is exempt from the requirement to live in the home if the home has 24-hour staffing coverage and a staff person who can make needed decisions is always present in the home. (WAC 388-76-10040)

- The provider lives in the home.
- A resident manager lives in the home and is responsible for the care and services of each resident at all times.
- The provider, entity representative, or resident manager does not live in the home but the home has 24-hour staffing coverage, and a staff person who can make needed decisions is always present in the home.

The normal staffing levels for the home are:

- Registered nurse, days and times: **The home is operated by a registered nurse. Nurses will also be onsite as needed for home health, hospice and nurse delegation.**
- Licensed practical nurse, days and times: _____
- Certified nursing assistant or long term care workers, days and times: **When the provider is not present in the home, the provider will schedule the appropriate days & times for a CNA or long-term workers in the home.**
- Awake staff at night
- Other: **Awake staff at night is available at an extra charge and is dependent on staffing levels.**

ADDITIONAL COMMENTS REGARDING STAFFING

Cultural or Language Access

The home must serve meals that accommodate cultural and ethnic backgrounds (388-76-10415) and provide informational materials in a language understood by residents and prospective residents (Chapter 388-76 various sections)

The home is particularly focused on residents with the following background and/or languages:

English is the primary language spoken in our home. Sensitivity and respect of our client's ethnicity, culture beliefs and practices is important to our staff.

ADDITIONAL COMMENTS REGARDING CULTURAL OR LANGUAGE ACCESS

Medicaid

The home must fully disclose the home's policy on accepting Medicaid payments. The policy must clearly state the circumstances under which the home provides care for Medicaid eligible residents and for residents who become eligible for Medicaid after admission. (WAC 388-76-10522)

The home is a private pay facility and does not accept Medicaid payments.

The home will accept Medicaid payments under the following conditions:

We accept Medicaid payment source and in order to provide quality service, the minimum daily rate is \$120.

There are two beds reserved for residents paying through Medicaid. If a private pay resident transitions to Medicaid and one of these beds are not available, the resident may be given a 30-day discharge notice.

We require Residents who are using private funds to do so for thirty-six months before transitioning to the Medicaid payment system.

ADDITIONAL COMMENTS REGARDING MEDICAID

Activities

The home must provide each resident with a list of activities customarily available in the home or arranged for by the home (WAC 388-76-10530).

The home provides the following:

The provider will offer appropriate activities and consider client's preferences. The provider and staff encourage residents to be active in the home and in the community.

ADDITIONAL COMMENTS REGARDING ACTIVITIES

Staff tries to provide activities that matches what the resident loved doing prior to moving into the home. In my experience, I have learned that each of us needs a purpose, no matter how big or small, that provides motivation and inspiration to enrich our lives.
