IMPOSITION OF CONDITIONS ON A LICENSE

Dear Licensee:

On November 15, 2024, the Department of Social and Health Services (DSHS), Residential Care Services completed a Complaint Investigation at your facility. This letter is formal notice of the imposition of conditions on the license for your adult family home, located at **15810 124th Ave E, Puyallup**, by the State of Washington, Department of Social and Health Services, pursuant to the Revised Code of Washington (RCW) 70.128.160 and Washington Administrative Code (WAC) 388-76-10940.

The imposed conditions on the license are based on the following violation of the RCW and/or WAC determined by the department in your adult family home and described in the attached Statement of Deficiencies (SOD) report dated **November 15, 2024**.

Conditions on License

WAC 388-76-10400 Care and services.

The licensee failed to ensure that one resident received skin and wound care treatment or follow-up from July 22, 2024, until August 1, 2024. This failure resulted in the resident being hospitalized for multiple wounds including foot sores and a buttock (bottom) sore, contributed to an above-the-knee amputation, and placed the resident at risk for further injury.

NOTE: These are the violations, which resulted in the conditions on the license; see the attached Statement of Deficiencies for any additional violations.

The department has determined that the following conditions shall be placed on your adult family home license:

- ***The Adult Family Home (AFH) provider must hire, at their own expense, a Registered Nurse Consultant (RNC), not currently or previously affiliated with the AFH, familiar with AFH regulations by December 16, 2024, to assist the AFH Provider with the following:***
 - ***The development of systems and policies for ensuring action steps are in place when residents experience skin breakdown, or other changes in condition.***
 - ***Provide training to AFH staff, including the AFH Provider, regarding care duties and responsibilities when skin breakdown or other change in condition occurs, to include but not limited to:***
 - ***What is considered skin breakdown or other changes in condition;***
 - ***How to recognize, care for, monitor and prevent skin breakdown or other changes in condition;***
 - ***How to document skin breakdown or other changes in condition; and***
 - ***When and how to report skin breakdown or other changes in condition to:***
 - ***The resident's family or representative;***
 - ***The resident's primary healthcare provider;***
 - ***The Registered Nurse Delegator;***
 - ***The Department Case Manager; and***
 - ***Others involved in the resident's care.***
- ***The AFH must provide the RNC with a copy of the Statement of Deficiencies report dated November 15, 2024.***
- ***The AFH must provide the contact information for the RNC to the Field Manager upon hire.***
- ***The RNC must be available to the department to answer questions.***
- ***The RNC must provide the Field Manager with documentation of AFH policies and staff training no later than Monday, January 6, 2025.***
- ***The AFH provider must post this Notice of Conditions, with the license, in a visible location in a common use area of the AFH, accessible to residents and visitors.***

The effective date of the conditions on your license was **verbally** imposed on **November 26, 2024**, and remains in effect until lifted by formal Department of Social and Health Services notice. As provided in RCW 70.128.160(b), WAC 388-76-10990(6), the effective date of the conditions on your license will not be postponed pending an administrative hearing or informal dispute resolution review.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.
