Medication Services

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

Up to 100% assistance provided. We provide assistance for all oral medication, inhalers, and can be delegated to assist residents with blood glucose monitoring, insulin pens, eye drops, oxygen, and more.

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

All medications to be administered MUST have a prescription including over the counter medicines

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

We coordinate skilled nursing services with independent 3rd party Home Health agencies (covered by Medicare).

We contract with an independent RN for all DSHS Assessments and RN Delegation required by the Resident.

The home has the ability to provide the following skilled nursing services by delegation:

State-allowed nurse delegated tasks can be provided in our AFH. If the State allows it, our staff can provide it. The only allowed injectable medication is insulin.

ADDITIONAL COMMENTS REGARDING SKILLED NURSING SERVICE AND NURSING DELEGATION

We are NOT a "skilled nursing facility." However, we do contract with Home Health agencies who can provide skilled nursing services in our AFH.

Specialty Care Designations

We have completed DSHS approved training for the following specialty care designations:

- Developmental disabilities
- Mental illness
- Dementia

ADDITIONAL COMMENTS REGARDING SPECIALTY CARE DESIGNATIONS

Staffing

The home's provider or entity representative must live in the home, or employ or have a contract with a resident manager who lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager is exempt from the requirement to live in the home if the home has 24-hour staffing coverage and a staff person who can make needed decisions is always present in the home. (WAC 388-76-10040)

- The provider lives in the home.
- A resident manager lives in the home and is responsible for the care and services of each resident at all times.
- The provider, entity representative, or resident manager does not live in the home but the home has 24-hour staffing coverage, and a staff person who can make needed decisions is always present in the home.

The normal staffing levels for the home are:

- Registered nurse, days, and times: **Third party contracted Wednesday's only during regular business hours.**
