**CONTINUED STOP PLACEMENT ORDER PROHIBITING ADMISSIONS, AND
IMPOSITION OF ADDITIONAL CONDITIONS ON A LICENSE**

Dear Administrator:

On September 5, 2017, the Department of Social and Health Services (DSHS), Residential Care Services completed an inspection at your facility. This letter constitutes formal notice of a continued stop placement order prohibiting admissions and imposition of additional conditions on a license for your assisted living facility, also known as **MCGEE GUEST HOME**, located at **21520 82ND AVENUE EAST, SPANAWAY**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The continued stop placement order prohibiting admissions and imposition of additional conditions are based on the following violations of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated **September 5, 2017**.

WAC 388-78A-2210(1)(a)(b)(2)(a) – Medication services.

The facility failed to develop and implement a safe medication delivery system for residents.

This is an uncorrected citation previously cited in the Statement of Deficiencies reports dated May 26, 2017 and July 24, 2017.

WAC 388-78A-2730(1)(b) – Licensee’s responsibilities.

The licensee failed to ensure imposed remedies were implemented and numerous citations were corrected as indicated.

This is an uncorrected citation previously cited in a Statement of Deficiencies report dated July 24, 2017.

The **stop placement** order prohibiting admissions to your assisted living facility that was **verbally** imposed on your license on **July 20, 2017** and in a notice letter dated **July 21, 2017**, and continued in a notice letter dated August 8, 2017, **continues** and remains in effect with the certified mail receipt of this letter and the attached Statement of Deficiencies report. The continued stop placement order prohibiting admissions will not be postponed pending an administrative hearing or informal dispute resolution process, as is required by RCW 18.20.190(4). The continued stop placement applies to all new admissions, re-admissions, and transfer of residents.

During the continued stop placement, you may not admit any new resident to your assisted living facility. In addition, you may not allow any resident who was absent from the home due to a temporary non-out-patient stay (not including out-patient treatment) at a hospital, nursing home or other treatment center to return during the stop placement unless you obtain advance approval from the department. You may request such approval by contacting Lisa Cramer, Field Manager, at (253) 983-3826.

Because it may not be possible to reach the Field Manager on a weekend or holiday, any pre-approval requests should be made as soon as possible during the business week. Such exceptions are made at the sole discretion of the department on a case-by-case basis. The department may impose sanctions or take other legal action if you fail to comply with the continued stop placement order prohibiting admissions.

The department will terminate the continued stop placement order prohibiting admissions when the violations necessitating the continued stop placement have been corrected and you exhibit the capacity to maintain adequate care and service.

These additional conditions are imposed on your license on **September 18, 2017**, and remain in effect until lifted by formal Department of Social and Health Services notice.
