This letter constitutes formal notice of a continued stop placement order prohibiting admissions for your assisted living facility, located at **1017 West 17th, Port Angeles**, by the State of Washington, Department of Social and Health Services. WAC 388-78A-2450(2)(d)3(b)(d)(i)(A)(B)(C)(D)(E)(ii)(iii) – Staff.

The licensee failed to document and retain staff schedules, cooperate during an onsite follow up visit and maintain all staff's documentation at the facility.

This is a repeat citation from March 29, 2016.

NOTE: These are the violations which resulted in the stop placement order; see the attached Statement of Deficiencies for any additional violations.

The stop placement order prohibiting admissions to your assisted living facility is effective immediately upon **verbal** notice to you on **June 2, 2016**, and certified mail receipt of this letter and the attached Statement of Deficiencies report. The stop placement order prohibiting admissions will not be postponed pending an administrative hearing or informal dispute resolution process, as is required by RCW 18.20.190(4). The stop placement applies to all new admissions, re-admissions, and transfer of residents.

During the stop placement, you may not admit any new resident to your assisted living facility. In addition, you may not allow any resident who was absent from the home due to a temporary non-out-patient stay (not including out-patient treatment) at a hospital, nursing home or other treatment center to return during the stop placement unless you obtain advance approval from the department. You may request such approval by contacting Janice Jiles, Field Manager at (360) 664-8421.

Because it may not be possible to reach the Field Manager on a weekend or holiday, any pre-approval requests should be made as soon as possible during the business week. Such exceptions are made at the sole discretion of the department on a case-by-case basis. The department may impose sanctions or take other legal action if you fail to comply with the stop placement of admissions.

The department will terminate the stop placement order prohibiting admissions when the violations necessitating the stop placement have been corrected and you exhibit the capacity to maintain adequate care and service.

Attestation (Plan of Correction):

Return the enclosed SOD within 10 calendar days with the following:

- The date you have or will have each deficiency corrected;
- A signature and date attesting that you are taking actions to correct and maintain correction for each cited deficiency.
