For information about the air operating permit program, email Trischa Lohr Barlet.
For information about a specific action published in the Permit Register, contact the agency that listed the permit action.

Air Operating Permit Workload Analysis & Budget for Fiscal Years 2024 – 2025 Biennium

Ecology has prepared a draft workload analysis and budget that projects resource requirements to administer, develop, and oversee Washington’s Air Operating Permit Program for the next biennium, including fiscal years 2024 and 2025. Read more information about the document and how to comment.

Public comment period: February 28, 2022 – May 1, 2022

Email Trischa Lohr Barlet at trischalohrbarlet@ecy.wa.gov for more information.
