HANFORD SITE AIR OPERATING PERMIT NO. 00-05-006
CHANGE CONTROL LOG

Change Control Logs ensure that changes to this permit are performed in a methodical, controlled, coordinated, and transparent manner. Each permit file will have a "**Last Modification Date**" which represents the last date the portion of the permit has been modified. The "**Modification Number**" represents Ecology's method for tracking the different versions of the permit. This log will serve as an up to date record of modifications and version history of the permit.
