RE: Town of Cathlamet Shoreline Master Program Plan

To Whom it may Concern,

The Town of Cathlamet is pleased to provide you with the Town's updated Shoreline Master Program (SMP), including the implementing ordinance. The Town's SMP was unanimously approved on July 15, 2019 by adoption of Ordinance 613-19. With the assistance Michelle McConnell at the Department of Ecology, this updated final version should now be in accordance with the Washington Shoreline Management Act, RCW 90.58 and the state Shoreline Guidelines, WAC 173-26. After the Department of Ecology's final action, the newly adopted SMP will be referenced at Cathlamet Municipal Code Title 14.20.

Attachment A. Ordinance 613-19

Attachment B. Town of Cathlamet Shoreline Master Program

Sincerely,

Sarah Clark, Acting Clerk-Treasurer

CC: Michelle McConnell
Regional Shoreline Planner
Dept. of Ecology
