

	Species	Scientific Name
Riparian/Wetland Vegetation	Reed canarygrass	Phalaris arundinacea
	Brown knapweed	Centaurea jacea
	Meadow knapweed	Centaurea × moncktonii
	Canada thistle	Cirsium arvense
	Spear thistle	Cirsium vulgare
	Poison hemlock	Conium maculatum
	Field bindweed	Convolvulus arvensis
	Scotch broom	Cytisus scoparius
	Robert Geranium	Geranium robertianum
	English ivy	Hedera helix
	Yellow toadflax	Linaria vulgaris
	American white waterlily	Nymphaea odorata
	European common reed	Phragmites australis subsp. australis
	Giant knotweed	Polygonum sachalinense
	Austrian yellow-cress	Rorippa austriaca
	White water cress	Rorippa nasturtium-aquaticum
	Common ragwort	Senecio jacobaea
	Common tansy	Tanacetum vulgare
	Common gorse	Ulex europaeus
	Common mullein	Verbascum thapsus
Spiny cocklebur	Xanthium spinosum	
Freshwater Vegetation	Eurasian watermilfoil	Myriophyllum spicatum
	Brazilian elodea	Egeria densa
	Parrotfeather	Myriophyllum aquaticum
	hydrilla	Hydrilla verticillata
Estuarine Vegetation	Japanese eelgrass	Zostera japonica
	spartina	Spartina sp.
	euopean and american beach grass	Ammophila arenaria
Riparian/Wetl and and Freshwater Mammals	Nutria	Myocastor coypus
Freshwater and Estuarine Mollusks	Asian Clam	Corbicula fluminea
	New Zealand mudsnails	Potamopyrgus antipodarum

APPENDIX A - Wahkiakum County - Town of Cathlamet Invasive Species List

Freshwater Crustaceans	Non-native freshwater crayfish	Pacifastacus sp.
Estuarine Crustaceans	Green Crab	Carcinus maenas
	Chinese mitten crab	Eriocheir sinensis
	Non-native copepods	
Freshwater Fish	Goldfish	Carassius auratus
	Brown bullhead	Ameiurur nebulosus
	yellow perch	Perca flavescens
Freshwater Amphibians	American Bullfrog	Rana catesbeiana
