RE: Final Ecology Approval of the Town of Friday Harbor Shoreline Master Program Periodic Review Amendment

Dear Mayor Jackson:

The Washington State Department of Ecology (Ecology) is pleased to announce final approval of the Town of Friday Harbor (Town) Shoreline Master Program (SMP) periodic review amendment. Ecology finds the Town's SMP amendment consistent with the policy and procedural requirements of the Shoreline Management Act (SMA) and its implementing rules.

**Ecology approves the Town SMP amendment as submitted.**

The enclosed Attachment A, Findings and Conclusions document, provides more information about our decision. This is Ecology's final action and there will be no further modifications to the proposal.

The amendment adopted by this action concludes the Town's SMP periodic review under RCW 90.58.080(4). Ecology's approval affirms the amendment is consistent with the applicable provisions of the SMA and its implementing rules, including periodic review requirements of WAC 173-26-090.

The amended SMP is effective 14 days from the date of this letter. This time period was established by the state legislature and is intended to provide lead-time for the Town to prepare to implement the amended SMP.

Ecology is required to publish a newspaper notice that the Town's SMP amendment has received final approval. The publication of this notice, in the form of a legal ad, will begin a 60-
