Dear Ms. Watson:

This letter is to notify you that on May 19, 2020 and July 7, 2020<sup>1</sup> the Grays Harbor Board of County Commissioners adopted the Shoreline Master Plan Update by Ordinance with all of the required and recommended changes accepted. I have attached a copies of the executed ordinances and a clean copy of the final adopted SMP.

We particularly wish to thank Senior Shoreline Planner Kim Van Zwalenburg. Her attendance at many shoreline committee meetings, on-going feedback on the many drafts, and assistance at workshops to field questions by our County Commissioners has been invaluable to the completion of the plan.

Please contact Jane Hewitt, Principal Planner at (360) 249-4222. if you have any questions concerning this review, or contact a permit coordinator at (360) 249-4222 for questions regarding permits.

Best regards,
