RE: Kenmore Shoreline Master Program Periodic Review Amendments

Dear Ms. Watson:

Enclosed for your review are two City of Kenmore ordinances (20-0505 and 20-0506) amending the City's Shoreline Master Program to incorporate Ecology's proposed changes as described in Attachment C to your January 31, 2020 letter to Mayor David Baker.

We are not suggesting any alternative proposals.

If you have any questions or need additional information, Lauri Anderson, Principal Planner and lead on this project, can be reached at 425-398-8900 or landerson@kenmorewa.gov.

We look forward to receiving final approval of our Shoreline Master Program and to putting the new regulations into effect.

Sincerely,

Rob Karlinsey
City Manager
