P: (360) 988-5711 F: (360) 988-8855

September 13, 2023

Dear Director Watson,

The City of Sumas has received your correspondence dated August 21, 2023 regarding the Periodic Review and Update of the City's shoreline master program (SMP). We have reviewed the attachments to your conditional approval letter, including the Required and Recommended Changes. This letter serves as the City's formal notification that both the Required Changes and the Recommended Changes are acceptable to the City.

We plan on holding a final public hearing within the next month, prior to the City Council taking final action by ordinance to adopt the SMP update, including the changes provided by Ecology.

Thank you for the grant funding and staff resources that were made available to the City to support the Periodic Review and Update. Both were essential to making this a successful undertaking.

Respectfully,

Bruce Bosch

Mayor
