**Re: Ecology Approval of the Yarrow Point Shoreline Master Program Findings of Adequacy**

Dear Mayor Cahill;

The Department of Ecology (Ecology) is pleased to announce approval of the Yarrow Point (Town) Shoreline Master Program (SMP) Findings of Adequacy. Ecology finds the Town has a program consistent with the policy and procedural requirements of the Shoreline Management Act (RCW 90.58) and its implementing rules.

Ecology's approval concludes the Town's periodic review under RCW 90.58.080(4) following procedures outlined in WAC 173-26-090. Ecology's approval affirms the existing SMP remains consistent with the applicable provisions of the SMA and its implementing rules.

Ecology is required to publish a newspaper notice of this final approval. The publication of this notice, in the form of a legal ad, will begin a 60-day appeal period.

We will provide a copy of the legal ad to the Town for its records.
