

INTERSTATE STREAM NOMENCLATURE – WALLA WALLA RIVER BASIN

Oregon - Washington

(East to West from Hwy. 125)

<u>Washington</u>	<u>Oregon</u>	<u>USGS Quads</u> (WW& College Place 7.5')
Spring Branch (14-6/35)	Grandview Creek	Unnamed
Big Spring Branch (14-6/35)	Big Spring Branch	Big Spring Branch
Spring Branch (14-6/35)	Buell Spring Branch	Unnamed
East Spring Branch (14-6/35)	East Prong LWWR	East LWWR
Walsh Creek (15-6/35)	Lewis Spring Branch	Walsh Creek
Little WW River (16-6/35)	West Prong LWWR	West Little WWR
Mud Creek (17-6/35)	East Mud Creek	Mud Creek
Little Mud Creek (15-6/34)	South Mud Creek	Little Mud Creek
Pine Creek (17-6/34)	Pine Creek	Pine Creek

The USGS names are for the Walla Walla and College Place 7.5' quads only. The Milton-Freewater and Waterman quads that cover Oregon reference many of the same streams differently in Oregon than they do in Washington. Additionally, a few of the streams that are shown on the map to be interstate are, in reality, not.
