

Public Notice of Application for State of Washington 401 Water Quality Certification & Coastal Zone Management Act Consistency

Project Name: SE Southworth Drive Shoreline Stabilization

Applicant: Kitsap County Department of Public Works

Project Description: Provide stabilization of the shoreline along approximately 262 linear feet to prevent undermining the road.

Project Location: Along the east side of SE Southworth Drive, Puget Sound, Port Orchard, Kitsap County, Washington.

Public Notice Date: January 10, 2019
Comment Period Ends: January 31, 2019

Application available on Ecology's Federal Permit Website: <https://ecology.wa.gov/401-and-CZM-public-notice>.

NOTE: This is the second public notice issued for this project. Kitsap County Public Works re-applied for certification of this project on January 2, 2019. There are no substantive changes to the project.

Ecology will review the work pursuant to Section 401 of the Clean Water Act, with applicable provisions of State water pollution control laws and the Coastal Zone Management Act.

Ecology is requesting comments from the public, state and local agencies, tribes, and other interested parties to evaluate the impacts of each proposed activity. Conventional mail or e-mail comments on this public notice will be accepted and made part of the record.

Comments should be sent to:
