

Tidewater Transportation and Terminals Public Comment Period

November 20th, 2024 at 8:00AM to December 20th, 2024 at 5:00PM

Oil Spill Contingency Plan Holder Tidewater Transportation and Terminals has submitted a 5-year update to Ecology, necessitating a public comment period. Their current plan expires December 31, 2024.

Tidewater's integrated plan includes two terminals, a pipeline, and vessels. Each volume has an associated field document, also known as an Emergency Response Action Plan (ERAP). Links to each volume are below.
