

Public Comment Period: BP Pipelines (North America) Northwest Pipelines District Oil Spill Contingency Plan

Comment Period: December 30th, 2024, to January 30th, 2025 (11:59PM)

BP Pipelines Northwest Pipelines District submitted a plan update to Ecology on December 19, 2024. The update included the following key changes to their oil spill contingency plan:

- Change in Primary Response Contractor from NRCES/Republic Services to Clean Harbors Environmental Services
- Updated Olympic Oil Spill Removal Organization (OSRO) Support Summary Matrix

For the public's reference, primary response contractor information is in Appendix B and the planning standard spreadsheets are in Appendix E. Below are links to BP Pipeline's oil spill contingency plan broken into sections to facilitate your review.
