

## Informational Meeting: Temperature TMDL for the Columbia River and Lower Snake Rivers

### Meeting details

Date: January 28, 2021, 9:30-11am

Please [register to attend at this Webex link](#).

This is an informational meeting on [EPA's Total Maximum Daily Load \(TMDL\) for Temperature in the Columbia and Lower Snake Rivers](#). EPA published the temperature TMDL in May 2020 and opened a 90-day public comment period this past summer. Ecology is responsible for writing Washington's implementation plan for this TMDL.

### **Agenda:**

Welcome & Introduction	Kelly Ferron, Department of Ecology
Why We're Here <ul style="list-style-type: none"><li>• Temperature issues in Columbia and Lower Snake Rivers</li><li>• Overview of EPA's TMDL</li><li>• History Behind TMDL</li></ul>	Kelly Ferron
