<input type="checkbox"/> Water will discharge directly or indirectly into one or more surface waterbodies (wetlands, creeks, lakes, and all other surface waters and water courses).			
<input type="checkbox"/> Water will discharge to ground with 100% infiltration, with no potential to reach surface waters under any conditions			
<input type="checkbox"/> Water will discharge directly or indirectly to surface water bodies and to ground with some infiltration			

#### IV. Public Notice

You must publish a public notice at least once a week for two consecutive weeks with at least seven days between publications, in a newspaper of general circulation in the county in which the activities are to take place as required in Section S2 of the Bridge and Ferry Terminal Washing General Permit. Ecology cannot grant permit coverage sooner than the end of the 30-day public comment period, which begins on the date of the second public notice.

Mail or fax (360-407-6426) the NOI to Ecology on or before the first public notice date. If you fax the public notice to Ecology, you must also mail a hard copy. Failure to do so may delay the issuance of your permit.

Provide the exact dates (mm/dd/yy) that the first and second public notices will appear in the newspaper(s):

Name of the newspaper publishing the notices: \_\_\_\_\_

**First notice:** \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_

**Second notice:** \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_ (Begins 30-day public comment period.)

*For example:* First notice: Friday 01/01/14 Second notice: Friday 01/08/14

#### PUBLIC NOTICE TEMPLATE

Complete this template using project-specific information and submit to a local newspaper with general circulation within the county where the project is located. The language in **bold** is required by WAC 173-226-130 and must be included in its entirety. (Either use the fill-in template below or attach on a separate sheet of paper, if necessary.)

(Name of Permittee) \_\_\_\_\_, (address of Permittee) \_\_\_\_\_, is **seeking coverage under the Washington State Department of Ecology's Bridge and Ferry Terminal Washing NPDES and State Waste Discharge General Permit.**

**The proposed project(s),** Maintenance on multiple bridge structures are planned under this permit coverage. The names and locations of the structures and a schedule of planned activities for the first year under this permit are found at (WEB ADDRESS).

*(List information required in Section II above including all types of activities; for example, Bridge Preparatory Cleaning (Pre-painting), Bridge Routine Maintenance Cleaning, Bridge Spot Cleaning industrial, Ferry Terminal Routine Cleaning, Ferry Terminal Prep Cleaning, Ferry Terminal Painting).*

**The receiving water(s) is/are** The receiving waters where the proposed project(s) discharge to in the first year under this permit are found at (WEB ADDRESS). *(List information required in Section III above).*

**Any persons desiring to present their views to the department of Ecology regarding this application may do so in writing within thirty days of the last date of publication of this notice. Comments shall be submitted to the department of Ecology. Any person interested in the department's action on this application may notify the department of their interest within thirty days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II antidegradation requirements under WAC 173-201A-320.**

**Comments can be submitted to:**

**Department of Ecology**

**Attn: Water Quality Program, Bridge and Ferry Washing**

**PO Box 47696**

**Olympia, WA 98504-7696**

**V. Certification of Permittees**

*"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system or those directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."*
