Acres

Type of Containment or Storage	Total Capacity	Design Freeboard
Lagoon	Gallons	Feet
Roofed Storage Shed	<input type="checkbox"/> Tons <input type="checkbox"/> Cubic Yards	n/a
Storage Ponds	Gallons	Feet
Under-floor Pits	Gallons	Feet
Above Ground Storage Tanks	Gallons	Feet
Below Ground Storage Tanks	Gallons	Feet
Concrete Pad	<input type="checkbox"/> Tons <input type="checkbox"/> Cubic Yards	n/a
Soil Pad	<input type="checkbox"/> Tons <input type="checkbox"/> Cubic Yards	n/a
Other (Specify):	<input type="checkbox"/> Tons <input type="checkbox"/> Cubic Yards <input type="checkbox"/> Gallons	n/a

VI. MANURE POLLUTION PREVENTION PLAN

All applicants for coverage under this permit must prepare, keep up-to-date, and implement a Manure Pollution Prevention Plan for their CAFO. The plan must specify the site-specific practices and procedures that:

1. Meet the pollution prevention performance objectives in special conditions S4.A through S4.Q in the permit.
2. Ensure the discharge of manure, litter, process wastewater, other organic by-products, and other sources of pollution related to the operation of a CAFO does not cause or contribute to a violation of the Water Quality Standards.
3. Comply with applicable federal requirements in 40 CFR 122.42(e)(1).

Attach a complete Manure Pollution Prevention Plan for your facility with this form.

VII. PUBLIC NOTICE

Combined Permit: If you are applying for the Combined permit, you must publish public notice.

State Only Permit: Did you begin operation after January 18, 2017?

Yes: Publish public notice.

No: Public notice is not required.

Public notice must be published at least once each week, for two consecutive weeks with at least seven days between publications, in a **single** newspaper that has general circulation in the county in which the project is to take place. The applicant must use the Public Notice Template provided below. The completed application must be submitted to Ecology on or before the date of the first public notice. Ecology cannot grant permit coverage sooner than 31 days after the date of the second public notice.

Provide the **exact** dates (mm/dd/yy) that the public notices will appear in the newspaper.

First public notice date:

Second public notice date:

Newspaper publishing the public notice:

Public Notice Template

Complete this template using facility-specific information and submit to a local newspaper with general circulation within the county where the facility is located. The language in **bold** is required and may not be modified, however the applicant may add additional information to the notice.

[Name of Applicant/Permittee] is seeking coverage under the **Washington State Department of Ecology Concentrated Animal Feeding Operation NPDES and State Waste Discharge General Permit**. The application applies to the applicant's facility located at **[Address of Permittee's Operation]** and the applicant's land application fields.

Any person desiring to present their views to Ecology regarding this application may do so in writing within 30 days of the last date of publication of this notice. Comments should address whether coverage under this permit is appropriate for the facility. Comments must be submitted to Ecology. Any person interested in the Ecology's action on this application may notify Ecology of their interest within 30 days of the last date of publication of this notice. Comments can be submitted to: Department of Ecology, Water Quality Program, Attn: CAFO Permit Administrator, P.O. Box 47600, Olympia, WA 98504-7600.

VIII. APPLICANT CERTIFICATION

A person who has signature authority must sign the Application. Signature authority is defined in General Condition 15 as:

1. In the case of corporations, by a responsible corporate officer.
2. In the case of a partnership, by a general partner of a partnership.
3. In the case of sole proprietorship, by the proprietor.

In the case of a municipal, state, or other public facility, by either a principal executive officer or ranking elected official.

"I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."
