

# 2015 Biosolids General Permit Temporary Disposal Plan

<b>SUBMITTAL DATE:</b>	<b>FACILITY NAME:</b>	<b>PERMIT NUMBER:</b>
------------------------	-----------------------	-----------------------

**“Disposal on a Temporary Basis”** means a period of more than 1 but less than 5 years. Generally, situations requiring the temporary use of disposal facilities will normally occur as a result of deficiencies in the wastewater or biosolids treatment process, or economic, administrative, or contractual constraints which cannot be resolved in less than 1 year.

**173-308-300 (8) WAC – Disposal on a Temporary Basis.**

- (a) Any person wishing to dispose of sewage sludge in a municipal solid waste landfill on a temporary basis must submit a plan for approval to the department. The plan must include the following information:
  - (i) The conditions that make disposal necessary.
  - (ii) The steps that will be taken to correct the conditions that make disposal necessary so that disposal will not become a long-term management option.
  - (iii) A time table for implementing the steps to be taken to correct the conditions that make disposal necessary.
- (b) The person proposing to dispose must provide the department with written approval for disposal from the local health jurisdiction in the receiving jurisdiction.
