

Weyerhaeuser Longview

Opportunity to Comment

The Washington State Department of Ecology invites you to comment on Weyerhaeuser Longview's proposed Air Operating Permit. The permit compiles existing requirements the mill must comply with. The permit is renewed every five years.

We are accepting public comments from September 25 through October 26, 2009. Citizens can request a public hearing to ask questions and submit verbal comments on this permit. If this is something you are interested in, please contact:
