

Tips for Managing Hazardous Waste

- ☑ Determine which of your wastes are hazardous.
- ☑ Use proper containers.
- ☑ Keep containers closed when not adding waste.
- ☑ Keep wastes separated.
- ☑ Keep waste disposal records.
- ☑ Label containers with their contents and risk – like “Waste Solvent” and “Flammable.”
- ☑ Keep batteries and other wastes under cover and away from stormdrains.
- ☑ Don't mix wastes with your used oil.
