

Cleanup work will begin late September at the Hansville General Store

Ecology's contractor will begin cleanup work at the Hansville General Store Site in late September. The work is expected to last for 2 months. **The cleanup work will take place during 7:00 am – 6:00 p.m. Monday through Friday and if needed on Saturday**

between 9:00 a.m. -6:00 p.m. This site is located at 7532 NE Twin Spits Road in Hansville, Washington 98340, an unincorporated part of Kitsap County.

Traffic Advisory

Please expect traffic delays along the NE Twin Spits Road and Hansville Road NE between 7:00 a.m. – 6:00 p.m. Monday through Friday and if needed on Saturday between 9:00 a.m. - 6:00 p.m. Both lanes will be open for vehicles from 7 p.m. – 6:00 a.m. All Businesses will remain open during construction.

What will be done at the site?

- Dig up contaminated soil above state cleanup levels within the property boundary and in Twin Spits Road. The contaminated soil will be transported to an offsite permitted disposal facility. The exception is soil beneath the store building.
- Install a bioremediation system beneath the store building and surrounding areas.
- Install a passive venting system beneath the store building.
- Replace the 8" water main through the site and repave Twin Spits Road throughout those portions of the site impacted by remedial activities.

What Happens After Construction?

In accordance to the Consent Decree, Ecology will conduct performance ground water monitoring until December 31, 2011.
