

## ECOLOGY YOUTH CORPS MEDIAN CREW APPLICATION

The Ecology Youth Corps (EYC) Program is made possible through the Waste Reduction, Recycling and Model Litter Control Act. It is funded by a tax paid by businesses that manufacture, distribute, or sell products that contribute to the litter problem.

**Median crew members must be at least 18 years old, and provide adequate documentation to verify eligibility to work in the United States.**

Crews clean litter and recycle materials from highway center medians, interchanges, and other difficult road areas. Most employment occurs during the spring and fall with possible summer activity.

The Washington State Department of Ecology is an Equal Opportunity employer and does not discriminate on the basis of race, creed, color, disability, age, religion, national origin, sex, marital status, disabled-veteran status, Vietnam-era veteran's status, or sexual orientation. For special accommodation needs, please contact the Employee Services Office at (360) 407-6186. The TTY number is 711 or 1-800-833-6308.

### PLEASE NOTE

Hiring is based on the results of our standardized interview. Former crew members must reapply for consideration each year. You will be notified regarding your interview status.

If selected for employment, you may be asked to voluntarily sign a Driving Record Release Authorization form. Any conviction within the preceding three years for the following:

- hit and run driving
- driving while intoxicated or impaired
- reckless or negligent driving
- driver's license suspension or revocation for cause involving operation of a motor vehicle
- three (3) or more moving violation convictions

will eliminate you from being permitted to drive the crew van. Drivers and non-drivers compete equally for crew member positions.

**All EYC crew member positions are temporary.** If you are seeking permanent employment, contact the Department of Ecology, Employee Services, PO Box 47600, Olympia, Washington 98504-7600.
