Latex paint is no longer considered hazardous waste and the household hazardous waste facilities in King County (the Wastemobile, Factoria, and two Seattle sites) no longer accept it. Residents who cannot use up latex paint, please dry it out and put it in the garbage with the lid off. Visit the King County website www.kingcounty.gov/dnrp/swd for more information on how to dry out latex paint.

Household hazardous wastes (but not latex paint) can be taken to the Household Hazardous Wastemobile at the Auburn Supermall on the 1st and 3rd full (Friday, Saturday, and Sunday) weekends of each month from 10 am to 5 pm. The Wastemobile will be located in Northwest corner of the mall off of SuperMall Way. There is a 50 gallon limit and a gasoline limit of 30 gallons per customer per day and customers will not get their containers back. No containers can be over five gallons in size.
