RECYCLE MORE

City residents are currently recycling about 17% of their waste. For 2009 our goal is 25%. Encourage your friends, neighbors, and customers to recycle more!

T.V. Conversion

Your T.V. will still work after the digital conversion on February 17 if you have cable or satellite. People who use "rabbit ears" to get reception will have to use a digital converter box.

Coming Soon!

Beginning January 1, visit Ecyclewashington.org or call 1-800-RECYCLE for Clallam County locations to recycle your computer or television at **no charge**.
