

2010 Master Composter/Recycler Application

Volunteer home composting and recycling are the most cost-effective methods of dealing with yard and compostable kitchen waste, and with waste items that can be collected and used again. Skagit County, in cooperation with the Department of Ecology, will train Master Composter Recycler volunteers who want to help educate the community about home composting, recycling and waste reduction. Each Master Composter/Recycler will receive 30 hours of free training, including books and materials. As payment for this training, each Master Composter/Recycler must **commit to giving back 40 hours of volunteer time** in educational outreach projects during the year.

Dates Seven Thursday evenings, 6:00 pm - 8:30 pm, between March 4 –April 18 along with one weekday afternoon field trip and three Saturday field trips.

Location Mount Vernon/Burlington area. The exact location and directions will be sent with your notification of acceptance.
