

Dear Resident,

Changes will soon be occurring to your garbage service. Please join us for a very important meeting on Thursday, July 22, 2010 at 5:30pm at King's Court Community Room (2217 S 333rd St, Federal Way) to learn more about how these changes will affect you.

**COMMUNITY MEETING**

Thursday, July 22, 2010 • 5:30 pm  
King's Court Community Room  
2217 S 333rd St • Federal Way

Starting **Monday, August 2, 2010**, your current 32-gallon garbage cans will be removed from the property. You can keep your old cans if you would like to use them for other purposes, but ***they can no longer be used for garbage***. You will receive one 35-gallon garbage cart (*green lid*) and one 35-gallon recycling cart (*blue lid*) the same day. These carts will be slightly larger than your garbage cans and will have wheels to make it easier to push the containers to the curb.

You will continue to store both containers in your front porch closet. See photo on reverse. On Mondays, you will continue to take both containers out to the curb. Please do not leave extra garbage or large garbage items next to your bin such as furniture or mattresses. You are responsible for properly disposing of these items.

Please only place approved recyclable materials in the blue recycling cart. These items include newspaper, mixed paper, junk mail, cardboard, plastic bottles & jugs, glass bottles & jars, metal cans and scrap metal (see attached flyer for additional details). Please ensure all items are clean and do not place items in plastic bags. Food and garbage will contaminate recycled items and the entire load may have to be thrown away.

Contact Theresa Black, KCHA Resource Conservation Specialist, at 206.214.1366 or [theresab@kcha.org](mailto:theresab@kcha.org) if you have questions. Thank you for your cooperation!

Sincerely,

Theresa Black
