

CAN YOU COUNT TO ZERO?

Make Your Home Zero Waste. Become a Master Composter/Recycler.

Skagit County Public Works Solid Waste Division will offer its annual eight-week Master Composter/Recycler training Thursday evenings from 6:00-8:30 pm beginning March 31 at Padilla Bay Interpretive Center.

Save money by **maximizing your recycling, starting your own worm bin, or creating a compost pile.** Participants receive 30 hours of free training and in return, commit 40 volunteer hours educating the public about waste reduction at community events.
