

# free recycling

at your business

## Recycle more – save ‘green’ while going green!

All Federal Way businesses are eligible for **FREE\*** basic recycling service, including:

- ★ Two **Free** 96-gallon recycling carts per business (*emptied weekly*)
- ★ **Free** interior recycling containers and recycling posters (*while supplies last*)
- ★ **Free** set-up assistance and staff training

All businesses are eligible – even if you share garbage service, or do not directly pay Waste Management for garbage collection

**Already recycle?** Consider adding the two free recycling carts. Use the carts to bring recycling closer to where you generate recyclable items. Go beyond cardboard – recycle cans, glass and plastic bottles, office paper and more!

**\*What’s the catch?** To be eligible for basic recycling service, your business:

1. *must be located in Federal Way*
2. *should have a commitment to sustainability – not only sustaining your business, but the earth, too.*

### Recycle more. Recycle right.

It helps reduce garbage, preserve resources and save money!
