Qualifying small businesses can dispose of limited quantities of hazardous wastes at Seattle and King County household hazardous waste facilities. This pilot program is offered at no additional cost to eligible small quantity hazardous waste generators (SQGs) in King County. This is an excellent opportunity for SQG businesses to dispose of their stock pile of hazardous materials. Further information is available at www.lhwmp.org or contact the business waste line at 206-263-8899.
