Note: Only the types of materials listed above will be collected. No hazardous waste will be accepted. Visit www.lhwmp.org if you need assistance with hazardous materials disposal.

The Local Hazardous Waste Program is conducting a small business hazardous waste disposal pilot project for 2012. Qualifying small businesses can dispose of limited quantities of hazardous wastes at Seattle and King County household hazardous waste facilities. This pilot program is offered at no additional cost to eligible small quantity hazardous waste generators (SQGs) in King County. This is an excellent opportunity for SQG businesses to dispose of their stock pile of hazardous materials. Further information is available at www.lhwmp.org or contact the business waste line at **206-263-8899**.
