Dear Valued Customer,

In an effort to help our customers and communities reduce waste, we have launched the **Close the Loop** campaign.

Enclosed you will find a gift of lettuce seeds for the spring, and Cedar Grove compost coupons for this fall and winter.

**You decide where it ends up.** Up to one-third of all garbage is food scraps, yard debris and uncoated paper. Combining food scraps and uncoated paper with your yard debris in your curbside compost cart will reduce your garbage, and create beneficial garden compost. Help close the loop!

**Don't have convenient curbside yard debris and food scraps collection?** Sign up today for as low as \$9.55 per month by visiting [www.wmnorthwest.com/snohomish county](http://www.wmnorthwest.com/snohomish county) or call our Customer Service Center at 1-800-592-9995, Monday through Friday 7 a.m. – 5 p.m.

Thank you for your efforts to reduce waste. Working together we can make our shared community a better place to live, work and play.

Sincerely,

Your Waste Management Team
