

# Recycling in Lake Forest Park: Multi-family Resident Survey

**In which Lake Forest Park Apartment Complex or Condominium do you live? (for statistical purposes only)**

**\*How long have you lived in an Apartment Complex or Condominium in Lake Forest Park?**

**Have you recently received a list of recyclable materials in the City of Lake Forest Park? This can be either directly (by mail, in person or at your door step) or indirectly (posted).**

- Yes
- No
- I don't know

Please specify how you received these materials:

**If "Yes" (you have recently received a list of recyclable materials in Lake Forest Park) have you changed your recycling habits as a result of this information?**

- Yes-increased recycling
- No-decreased recycling
- Stayed the same

**Did you attend a Recycling Workshop at your Apartment Complex or Condominium? How did you find the value of the Workshop?**

- Informative and helpful
- Not informative or helpful
- I did not have a workshop at my complex
- I did not have a workshop at my complex BUT I would have liked one

Suggestions for improvement (please specify)

# Recycling in Lake Forest Park: Multi-family Resident Survey

## What types of materials were new to you that you did not know you could recycle?

- Clean plastic deli and take out containers
- Clean aluminum foil and pie tins
- Clean plastic bags (tied into a bundle)
- Clean 3" or larger plastic lids
- Clean plastic cups
- Clean paper cups
- Clean plastic plant pots
- Shredded paper in clear plastic bag
- All of the above

Other (please specify)

## If you're unsure of how to dispose of a waste product, what do you do? Please rank your decision making in order of most likely (1) to least likely (4).

Put it in the recycling (even if you don't know if it can be recycled)

Put it in the garbage

Ask a friend or family member

Contact City Hall or your garbage hauler

## Is there any recycling, garbage or compost information that you need but can't seem to find? (e.g., is there an item or material you are still unsure what to do with, or is there a service you need or question you have that you would like help answering?)

None, I have what I need.

I need help finding: (please specify)

## Have you visited the Zero Waste Station (Garbage, Recycling, Compost) at the Lake Forest Park Farmers Market?

- Yes
- No
- I don't know

# Recycling in Lake Forest Park: Multi-family Resident Survey

**If you visited the Zero Waste Station, did you find it (check all that apply):**

- Interesting and helpful
- Easy to find
- Not interesting or helpful
- Difficult to find
- I did not know it existed

Other (please specify)

**Is there any other information you would like (beyond what you have been sent) regarding recycling? If so, please provide your name and email address to be contacted by Lake Forest Park City Staff.**
