RE: Acceptance of Temporary Trust Water Donation  
Ground Water Certificate 4606-A

Dear Mr. McCanna:

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your temporary donation to the Washington State Trust Water Rights Program (TWRP). The trust water right has been assigned a control number 6801200. Please refer to that number when corresponding with Ecology about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 60 gallons per minute and 10 acre-feet per year. The purpose of the donation is to benefit the flows within the Swiss Valley drainage, both for surface and ground water recharge to the Colville River, Washington from April 1, 2018, to April 1, 2021.

**This trust water right expires on April 1, 2021.**

The parent Water Right Certificate 4606-A authorizes the withdrawal of 60 gpm and up to 30 acre-feet per year, and for the irrigation of 10 acres from April 1 to October 1, each year. The recorded place of use is located within and portions of the NW $\frac{1}{4}$ SE $\frac{1}{4}$  of Section 8, T 33 N., R 39 E.W.M., in Stevens County, Washington.

Section 90.42.080 provides in part the total of any portion of the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

**Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right.** When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of your donation, you elect to extend the term of this temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request of any new or modified terms and conditions and you will be notified if the donation can be extended.

If you have questions or concerns, please call Ying Fu at (509) 329-3451.
