RE: Trust Water Donation No. CS4-00484sb9@3

Dear Mr. & Mrs. Coe:

The purpose of this letter is to acknowledge the Department of Ecology's (Ecology) acceptance of your donation to the Washington State Trust Water Rights Program. The trust water right has been assigned File No. CS4-00484sb9@3. Please refer to this number when corresponding with us about this trust water right.

Under RCW 90.42.080(1) (B), Ecology accepts your donation, as summarized below:

Benefiting Water Body	Naneum Creek
Purpose	Instream flow
Rate	0.59 cfs in May and June and 0.30 cfs in April and July 1 through October 15
Acre-Foot Per Year	148.3
Acres	29.66 (the portion of Parcel No. 956840 that is within the Place of Use for S4-84224-J)
Season	April 1 – October 15

The water right originally covered 60 acres that included Parcel No. 956839 and a portion of Parcel No. 956840. Upon sale of the parcels, water rights for Parcel No. 956839 remained appurtenant to the land, but Mr. Coe retained the water rights for Parcel No. 956840 following the sale of the parcel. Water delivered by the Kittitas Reclamation District may also be used on this land.

Trust Water Expiration Date: October 15, 2022

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the trust water rights program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water rights program and as described on the water right certificate or most recent approved change authorization.

RCW 90.42.080 provides that the water right remaining with the donor plus the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended or terminated.

If you have any questions, please contact Jolee Ramos by phone at (509) 454-4173 or email jolee.ramos@ecy.wa.gov.

Sincerely,

Trevor Hutton, Section Manager
